

# NEW IBID

## DESIGN & TECHNOLOGY 2012

This text supports students and teachers of the IB Design and Technology course (SL & HL). Precisely following the IB Design and Technology syllabus, the book contains hundreds of photographs and is extensively illustrated to enhance the understanding of key concepts. Numerous case studies based on contemporary design innovations and historic design icons are distributed throughout. Every chapter provides references for topic specific further reading, worked examples and student review exercises in the form of sample questions.
