HISTORY 2012

History of the Americas From Independence to the Twentieth Century is designed to give students a course book which follows the requirements of this part of the IBDP History syllabus. Having 6 syllabus Sections in one book gives teachers and students a wide choice when selecting the three they need to prepare for the IB examination.

IB Skills and Practice: Equipping students with the skills they need to tackle IB History, this book develops and reinforces skills for every aspect of the exam, and provides the extra practice that is so critical to exam success. Core skills are thoroughly strengthened, with support for effective reading, note-taking, referencing and source work presented in an exam context. Thorough preparation is also included for the extended essay and each section of the IA, along with examiner hints, comments, student samples and guidance on IB marking criteria.
